planning

Distribution

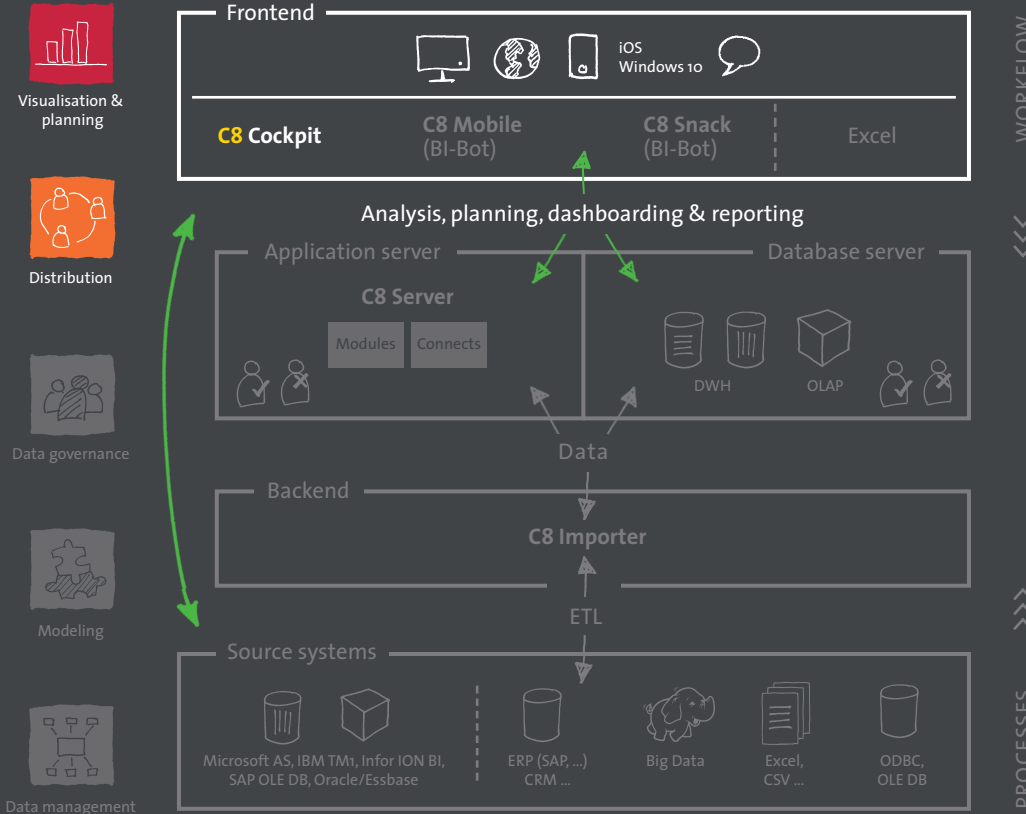

The designer frontend in the Cubeware Solutions Platform C8

- Feature-rich and easy-to-use frontend for designers
- Report creation for all Cubeware frontends
- Planning, analysis, reporting and dashboarding in ONE tool
- Application-like frontend for decision-makers, planners and power users
- Organised planning with individual workflows, ad hoc simulation and simple data acquisition
- ONE report for Windows, web, mobile and Snack
- Integration of relational and multidimensional databases (RDBMS, OLAP, MDX, SAP)
- Receive, comment on and share relevant information (online and offline)
- Collaboration and security in the planning and reporting process with C8 Server integration
