

Mobile Consumer

Visualisation & planning

Distribution

The native **mobile app** in the Cubeware Solutions Platform C8

- Available on iOS and Windows 10 (cross-platform)
- Up-to-date information relevant for decision-making, for management staff and process owners (online and offline)
- Direct input for data acquisition and planning
- Seamless integration into existing reporting environments
- Rapid implementation of new requirements in terms of content
- Interactive user interface
- Secure and IT-compliant with MobileIron
- Integration of relational and multidimensional databases (RDBMS, OLAP, MDX, SAP)
- Collaboration and security with C8 Server integration

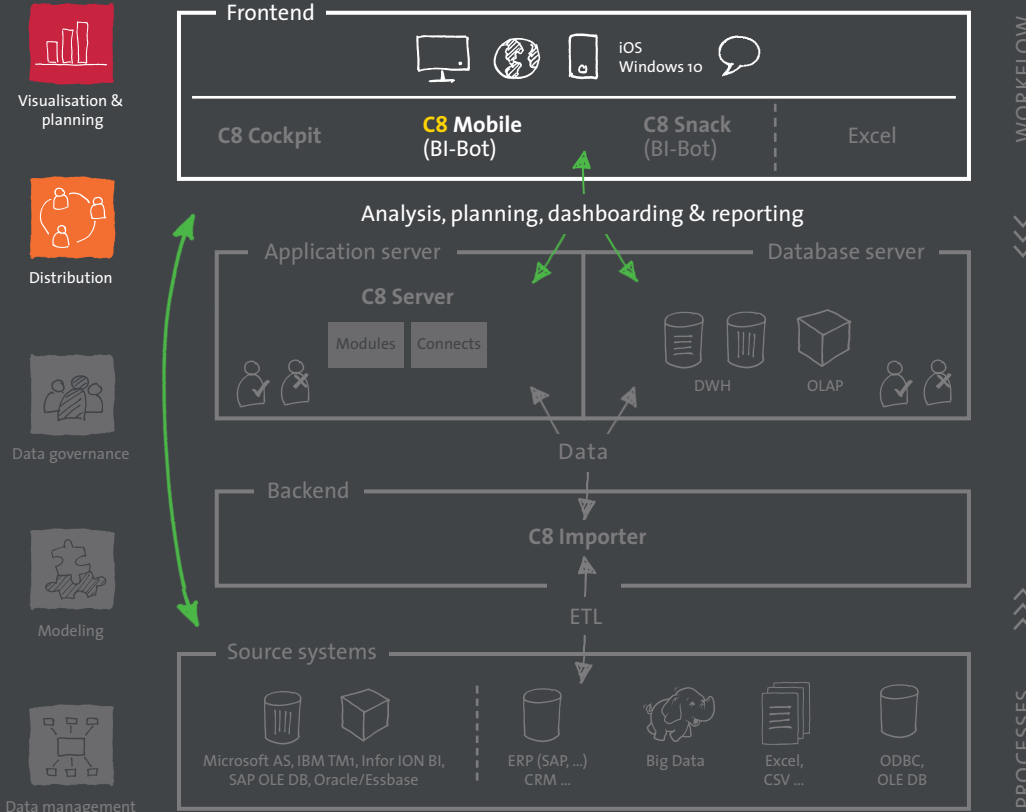

Key limitation

- No report design
